Members Health Insurance Company 2018 Pharmacy Directory

This pharmacy directory was updated on 9/7/18. For more recent information or other questions, please contact us, Members Health Insurance Company at (855) 540-4744 or, for TTY users 711, Monday through Friday, 8 a.m. to 8 p.m., or visit www.mhinsurance.com/part-d.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.mhinsurance.com/part-d. You may also call Member Services for updated pharmacy information.

Members Health Insurance Company is a Part D plan with a Medicare contract. Enrollment in Members Health Insurance Company depends on contract renewal. The Formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

Introduction

This booklet provides a list of Members Health Insurance Company network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Members Health Insurance Company's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Members Health Insurance Company only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 9/7/18. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Alabama which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact Member Services.

We also list pharmacies that are in our network but are outside Alabama the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside Alabama or contact Member Services.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Members Health Insurance Company.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us.

If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 7-10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at Members Health Insurance Company: (855) 540-4744, TTY users at 711, Monday through Friday, 8 a.m. – 8 p.m.
